

## FasterLouder Australia Day Weekend Summer Barbie!

### *Bands, Bingo, Barbie and Beer.*

**Question:** What could be more Australian than listening to some good ol' Aussie rock, chowin' down on some sausage sangers, sinking some VB and doing it all for free?

**Answer:** Nothin'!

This Australia Day, pull on ya blues, crack open a tinnie, fire up the Barbie and crank some good ol' Aussie tunes to celebrate all things green and gold.

Some of Australia's finest bands will come together and celebrate all things iconically Australian for one helluva cracking party at **The Tote**. The boys from **Dallas Crane**, **Rocket Science**, **Eddie Current Suppression Ring**, **The Ground Components** and **DJ Juice** will be treating us to their personal collections of classic Aussie vinyl.

And just so you don't get bored the lovely Lads from **Lady Strangelove** will be hitting the floor boards and closing the night with a roaring live set.

You can also check out some amazing classic rock photography that will be on display and have a go at **Bogan Bingo**. If your knowledge of all things ocker is up to scratch, you could even win one of the amazing photos to take home for yourself.
