

## FasterLouder **LIVE** Xmas - *It just gets BIGGER!*

If the line up for the third FasterLouder **LIVE** at The Factory featuring **King Brothers** from Japan, **Goons Of Doom**, **Shooting At Un-armed Men** and **Jack Nasty Face** wasn't big enough to rock out 2007 for you... then how about we throw some more fish on the fryer for FREE? We'll also be serving up **Die Magic Band** and a DJ set by none other than **DJ 'Hoi Sin Sauce!**

Merry R%#kin' Christmas!

**Die Magic Band** - They are a bit weird and kinda sound as though everything they play is made up on the spot, but dammit; they are infectious, imaginative and great fun. Hitching in from Stanmore for this one night will be the guitar strumming Brett Carwardine and husky country crooner Ted Walker. Die Magic Band is sure to put a smile on your face and scoot in your boot.

Trying to get any info out of **DJ Hoi Sin Sauce** is like trying to get blood from a stone, but trust us when we say that between each mammoth set at this event this eccentric record spinner will deliver aural pleasure with a saucy topping of tunes. We guarantee Hoi Sin Sauce will have you flipping patties in no time.

With six FasterLouder **LIVE** events in the bag nationally in the past few months, our members expect damn fine line ups and damn fine line ups is what they get. Along with their fellow FL community members, they've packed out some of our greatest rock venues and we plan to go out on a bang with this final Sydney show for 07. It all happens Thursday 13<sup>th</sup> December 2007.
