

FasterLouder **LIVE** Xmas - *Rockin' Your Stockin'*

In the spirit of giving this festive season, FasterLouder.com.au announces FasterLouder **LIVE** - The Xmas Special. We'll be rockin' your stockin' and coming down the Chimney fast at The Espy, with a sack-full of bad ass bands including **Bob Log III** and **The Vasco Era** AND it's all FREE!

Some facts you need to know about Bob Log III

1. Bob Log III is a one man band from Tucson, Arizona
2. He plays slide guitar and kicks shit
3. He is known for singing through a helmet with a telephone attached to it
4. He will bounce numerous girls on his knees while playing
5. He will sing the world renowned masterpiece "Boob Scotch"
6. He will have various people in the crowd insert their breast(s) into his drink(s)
7. He has toured extensively in over 30 countries for more than ten years

The Vasco Era has come a long way from their quiet costal town of Apollo Bay. Sell out tours and playing many of the country's biggest festivals is their way of life in 07. Their live show has a reputation for raw stomping blues rock at its best. They've supported our finest, including Wolfmother and this year released a debut album "Oh We Do Like To Be Beside The Seaside" that saw a nom' for a J Award.

When **Lady Strangelove** mounts the stage you could be taking a step back in time. With influences ranging from The Zep to The Doors it's the Chemical Brothers and Soulwax similarities that have your ears doing a backflip.

Bitter Sweet Kicks have earned their medals over the years, playing shows in the seediest to the most well respected venues Melbourne has to offer. Mixing a party sound with an all political vibe (chuck in some blood and nudity), the Kicks' live show will have you compelled from the first dirty riff to the last gravelly howl. Trust us this is going to knock ya little Xmas socks off!

With six FasterLouder **LIVE** events in the bag nationally in the past few months, our members expect damn fine line ups and damn fine line ups is what they get. With their fellow FL community members they've packed out some of our greatest rock venues and we plan to go out on a Bang with this final Melbourne show for 07. It all happens Saturday 8th December from 7pm.
