MEDIA RELEASE

Wednesday 31 May 2007

Check, one, two, check... Ladies & gentleman please welcome to the stage.....

FasterLouder **LIVE**

From July, Australia's leading rock music community, **FasterLouder.com.au**, will be jumping on the tour bus and hitting the road with a horde of the finest local and international bands, bringing gigs to iconic live venues around Oz.

FasterLouder LIVE is a unique series of shows offering free entry to **FasterLouder** members who RSVP online at **FasterLouder.com.au**.

The first round of **FasterLouder LIVE** events will be headlined by bands such as enigmatic US five piece *Tilly And The Wall* (here for Splendour In The Grass & playing their only Brisbane show for FasterLouder Live); *Children Collide* fresh from a national tour with Grinspoon; and direct from the studio *Rocket Science* serving up their latest wares. In addition, New Zealand rabble rousers *Mint Chicks* have signed on for the ride with their only Sydney show since returning from the US; Brissie indie darlings *I Heart Hiroshima* and Melbourne's merchants of mayhem *Shooting At Unarmed Men* will also add to the shenanigans. Finally, in true FasterLouder fashion we've trawled the 1,000+ band profiles on the FL Bands Pages to uncover emerging talent in the form of *Yves Klein Blue*, and *The Pink Fits*.

To get your name on the door of a **FasterLouder LIVE** event in your city, become a member of the rapidly growing **FasterLouder** community and wait for your invitation.
