# FasterLouder **LIVE** at The Gaelic Theatre

FasterLouder has assembled an outstanding line-up of international and local artists for the first Sydney **FASTERLOUDER LIVE** at The Gaelic Theatre. Delivering a mash-up of acts that shift across genres, FasterLouder Live serves up a night of wicked, surprising and astonishing indie rock as a free event to 'just say thanks' to the site's many contributors.

Kicking off **FasterLouder Live** at The Gaelic Theatre will be those rowdy rabble rousers from the land of the long white cloud, *The Mint Chicks* - dishing up lashings of raucous rock. Queensland legends, *I Heart Hiroshima* will be jumping on board for the ride and the Gong's fave trashy swamp rockers, *The Pink Fits*, will make the long haul up the highway. But at FasterLouder we say 'the more the merrier' and so the line-up has just been made that much more... Swedish... with the addition of **+46 MOTHERFUKKERS** from, you guessed it - Sweden.

The Mint Chicks exclusively headline **FasterLouder LIVE** for what is their only Sydney show whilst touring Australia and they promise to deliver a mix of spazzy, heavy, poppy music with lyrics about things like sports teams, love, death, and obsession. With a repertoire of new songs scooped from their new album 'Crazy?Yes!Dumb?No!', this exclusive set could not get any better as it's FREE!

With a debut album in the bag and ready for release this August, *I Heart Hiroshima* promise this live show will fill you full of new song goodness. Influenced by Sleater Kinney, TV on the Radio, Leonard Cohen, Smiths, Pixies, and Pharcyde... this 'bass-less' lineup of two guitars and drums with the shared vocals of Matt and Susie, quickly establishes a distinctive sound and infectious following.

The Pink Fits are hitting the road for the long uphill trek from Wollongong! OK it's not that far but The Pink Fits are coming out of the garage - with Lenny from Tumbleweed and three other guys you aint ever heard of... The Pink Fits are a fiery conglomerate of ideas, frustration, doobjuice and raw energy. They supply the out sound from the beach bound borders of trash and old time rnb, and mix it in with some swamp mud, fish hooks and sharpened spikes.

We discovered **+46 Motherfukkers** on our FasterLouder Band Pages - and this Stockholm duo wrapped us up in a warm fuzzy glow, thanks to their wild garage post punk pop hooks. So get ready to dance!

And while you've got your boogie shoes strapped on don't forget to stick around between sets and wrap your ears around sounds from Ben Ely of Regurgitator fame, who will be playing DJ on the night!
