FasterLouder **LIVE** at The Prince of Wales

FasterLouder **Live** at The Prince of Wales has an already impressive line-up with the likes of *Rocket Science*, *Shooting At Unarmed Men* and *Children Collide* but at FasterLouder we say 'the more the merrier' and so the line-up has just been made that much finer with the addition of local Melbourne menaces *Jarvis* and a DJ set from the oh-so glorious *Ground Components*.

Named after notorious local underground figure and trouble-maker, Ben Jarvis, Jarvis are the creation of a country lad from Maffra, an Adelaide immigrant and two brothers from Melbourne's South Eastern burbs that like to play loud swirling melody-driven music with bursts of stoned drones and mind infiltrating refrains. Jarvis, like their legendary name-sake, are not to be missed...or trusted.

If you haven't been to a Ground Complements gig at this a stage in your life, then quite simply you're a fool. But now's your chance to start making amends - Indra from the Groundies will be playing some of his favourite tunes across the night so you can nod your head, uncross your arms and shuffle along between bands....

FasterLouder **LIVE** is a unique series of shows offering free entry to FasterLouder members that RSVP online at FasterLouder.com.au. The Final Line up for the first ever FasterLouder **LIVE** at The Prince Of Wales is:

Rocket Science / Children Collide / Shooting At Unarmed Men / Jarvis / Ground Components DJ Set
