FasterLouder TV Backstage At Splendour

The FasterLouder crew got a little dirty last weekend with 20,000 other rock fans when they set up camp at Splendour In The Grass.

Backstage in the FasterLouder TV Tiki bar was where the action was. Some of the biggest names in rock got their Tiki on with our very own Cec Busby and Sarah Smith and you can catch all the interviews online now.

Amazingly, Splendour In The Grass 2007 was dry... unlike the humor and personalities of some of the outstanding international and local acts that took the stage and a seat in front of the FasterLouder cameras.

See members of The Shins drop by to chat about life, The Horrors unleash their craziness - does Josh have ADD? You be the judge... ARIA Hall of Fame inductee Dave Faulkner reveals the magic behind the Hoodoo Gurus ongoing success, friendship and good tunes while Gordon Moakes (bassist of Bloc Party) tells us the Melbourne audience last week was THE loudest he's ever played in front of and proves why he is one of the most unassuming and nicest guys you'll ever meet - Don't take our word for it - check it out for yourself.
