

## TOP OF THE STATES

The competition for a place in the Garage 2 V final is really hotting up. After raucous performances at the NSW regional heat, Cassette Kids were crowned regional heat winners by the top industry judges, and booked their place at the Garage 2 V grand final in conjunction with FasterLouder.com.au.

Cassette Kids will now perform on 13<sup>th</sup> March and play alongside My Disco at the famous Oxford Art Factory. Their final performance at the grand final will need to be their best if they want to claim the ultimate prize and open in front of 100,000 music fans at the second Australian V Festival across all four events, in which Duran Duran and the Smashing Pumpkins will headline.

Karina Norbergen from Cassette Kids shares her excitement:

Honestly we feel sick about this! Playing V Festival would be the best and biggest party ever possible to celebrate one year together and what we've accomplished, and the best introduction to a whole world of new possibilities. We've gigged tirelessly, written furiously, given each other black eyes, power outages, and broken equipment. If Cassette Kids get through this, suddenly the universe will make so much sense.

Tickets to the final are FREE and only available from [www.g2v.com.au](http://www.g2v.com.au) and [www.FasterLouder.com.au](http://www.FasterLouder.com.au). Virgin Mobile customers should also bring their phone for a few surprises on the night! Check out [www.g2v.com.au](http://www.g2v.com.au) to hear tracks from the state finalists!
