

## TOP OF THE STATES

The competition for a place in the Garage 2 V final is really hotting up. After raucous performances at the QLD regional heat, wind&brackets were crowned regional heat winners by the top industry judges, and booked their place at the Garage 2 V grand final in conjunction with FasterLouder.com.au.

wind&brackets will now perform on 13<sup>th</sup> March and play alongside My Disco at the famous Oxford Art Factory. Their final performance at the grand final will need to be their best if they want to claim the ultimate prize and open in front of 100,000 music fans at the second Australian V Festival across all four events, in which Duran Duran and the Smashing Pumpkins will headline.

Tommy Ivo from wind&brackets:

"It's great that Garage to V creates this opportunity for bands like us and it feels good to be recognised after working so hard"
