Over 500 Times Louder... FasterLouder **Bands Pages!**

In just one month since its launch, over 500 Australian rock bands have been blowing eardrums off fans hooked on FasterLouder's new Bands Pages.

Fasterlouder Band Pages offer signed and unsigned Australian Bands an opportunity to upload their songs, biographies, photographs, gigs and links via their very own dedicated Band Page - giving bands a free vehicle to promote their music through Australia's leading online rock music community.

Every band gets a shot at being on the FasterLouder homepage and weekly newsletter exposing the band to over 75,000 rock lovers who visit FL each month.

Bands entered on FL can also enter the national Garage to V competition powered by FL Bands Pages for a chance to be the opening act at the V Festival and receive \$10,000 worth of recording time. FasterLouder will also be selecting artists straight from the pages to support the cream of Australia's rock bands at FasterLouder live gigs in 2007.

For those not in a band, the Bands Pages are a treasure trove of undiscovered rock music. With a special jukebox that allows listeners to queue up a playlist of tracks, fans can also rate their favourite tracks, become fans of their favourite bands, contact them and interact with other people who are into the same music.
